Programme Overview

The objective of the OTHM Level 7 Diploma in Education Management and Leadership qualification is to develop learners' understanding of policy, management theory and practice in education. It provides learners with an opportunity to engage with the challenges facing professionals and policy makers in their own country. It will provide knowledge that underpins the ability to work as an effective manager in the education sector. It combines both theoretical and practical knowledge in the education profession and will develop and enhance knowledge and skills in the areas of leading change, effective performance and team leadership. Learners will be able to work in a variety of roles within education administration and/or management.
