Course Overview

The Level 5 qualification a combination of the Level 4 Diploma in Education and Training and Level 5 units that give learners the opportunity to progress in specific subject areas. Learners will develop and enhance knowledge and skills in the areas of learning and assessment, behaviour management, learning and communication, concepts of lifelong learning, resources planning and management, leadership and continued professional development.

Learners who do not complete the Extended Level 5 Diploma may be awarded the Level 4 qualification if they complete all Level 4 units.
