Course Overview

The objective of the OTHM Level 4 Diploma in Business Management qualification is to provide learners with an excellent foundation for building a career in a range of organisations. It is designed to ensure each learner is 'business ready': a confident, independent thinker with a detailed knowledge of business and management and equipped with the skills to adapt rapidly to change.

The qualification will provide learners with the underpinning knowledge, understanding and skills associated with the business activities, policies, procedures and processes required to work effectively in a business environment. The units combine both theoretical and practical knowledge in the areas of academic and research skills, business and global operations, finance and accounting, business communication, leadership and team working.

Successful completion of this qualification will support learners progressing to university, and provide learners with the requisite skills and knowledge to enter the world of work in their chosen sector.

Modules

- Academic Writing and Research Skills (20 credits)
- Business Operations (20 credits)
- Communication in Business (20 credits)
