Course Overview

The objective of the OTHM Level 4 Diploma in Education and Training Management qualification is to develop a learner's practical teaching skills and prepare them to work in a wide range of educational and training contexts.

The Level 4 units provide an introduction to relevant education and training principles and practices. These units include both theoretical and practical content, and learners will be able to gain knowledge and skills in the areas of education and training programme design, learner engagement, and planning and monitoring their own work as well as evaluating the quality of education and training provision. They will also learn about the importance of reflecting on their current practice, identifying their own learning needs and professional development.

Successful completion of this qualification will support learners progressing to university, and to provide learners with the requisite skills and knowledge to enter the world of work in their chosen sector.
