

PGD

HEALTH & SOCIAL CARE

LEADING TO
MSc (TOP UP)

Course Overview

The aim of this qualification is to provide learners with an understanding of management within the health and social care sector. Learners will develop practical skills for a management career through a range of specialised units that include how to research and implement improvement for their employer and within the sector.

Successful completion of the QUALIFI Level 7 Diploma in Health and Social Care provides learners with the opportunity to progress to further study or employment or to complete a master's degree at our chosen University partners.
